

Parkland Parent Advisory Council Minutes

October 25, 2012

In Attendance Amanda Roberts, Al VanTassel, Kristie Wallace, Denise Paulin,
Betty Kirtzinger, Lori Peterat, Marisa Kemp, Amanda Stafford

Introductions

Principal's Report

Al spoke on the following subjects

- Kitchen - the kitchen will not be getting done anytime soon because the district has a lack of carpenters and tradesmen. We can not hire outside contractors to do it.
- Skating Rink - we can fix the skating rink ourselves but it must meet SD59 specifications.
- Generator - the district is putting generators in all rural schools to run necessities during power outages, Parkland's generator will be going into the storage room attached to the school. We must leave 3 feet of clearance around the generator at all times.
- Pump House - the district is going to replace the current cistern with an inground fibreglass tank, the pump will also be moved.

High Tech Elementary Trip

- the teachers have just returned from their trip.

Teacher on Call

- the district is still looking for more substitute teachers.

Board Highlights

U18 Hockey Tournament

- -one of the teams for the U18 will be visiting the school next week and then the next day the intermediate classes will be going to the Encana Events Center to watch one of the games.

Upcoming Events: Tuesday Assembly focusing on Curiosity

Trust Fund Balance is approximately \$2500

New Business

Nominations and Election for Council

- New Parent Advisory Council is as follows:
- President Kristie Wallace

- Vice President Denise Paulin
