Old Business

We will have an emergency planning meeting for the dance on Thursday, April 4 at 4:00pm. We will sell bottled water, and candy bags. Coffee and squares for dessert will be free. Lori will write up a letter looking for donations.
- Grade 7 Books and Leaving Tea: Mrs. Meidema will be doing the scrapbooks. Mrs Casey will be doing the sweatshirts order.
- Gwillim Trip: Is scheduled for June 3-5. Mr. Booker is going to come help with the paperwork and proposal.
- Report Cards: Will be sent home before spring break.
- Scrabble: There will be no scrabble tournament this year.
- Letter to MLA: Lori is working on a letter to our MLA in regards to the recent transportation cuts.

New Business

- Amanda Roberts has asked for \$3000.00 to pay for a TOC while the grade 4/5 students go swimming. *Denise made a motion, Betty seconded it, carried.*
- Because the new kitchen will not be happening any time in the near future, should the PAC plan to use some of the money now for a school improvement. (Climbing wall in the gym, creating a band program, and purchasing instruments) Amanda Roberts will talk to her staff about interest in the climbing wall, and the training involved, and ask for other ideas they can think of. Kim will include a survey to parents in the next newsletter, looking for more ideas.
