Dear Parents

1. Picture retake day is this Thursday, Nov 21 at 8:15 am. This is your last chance to get student's pictures redone. Please send in the order form that was sent home to you previously. If you need a new one - please let Kim know right away and we will send it with your oldest child. Order form with payment must be here to give to the photographer.
2. On Thursday November 21 from 6:00-8:00 pm we will be having our first exhibition of the year. Each class will be displaying their projects for the term. These are the driving questions for each class:
  - Mrs. Lees: How do we protect our bodies from illness?
  - Ms. Miller, Mrs. Frederickson: What is a hero in today's society?
  - Mr. Davison, Mrs. Lazinchuk: How do pipelines impact people and the environment?

In order for our event to be successful please make every effort for you and your child(ren) to attend. Students should arrive by 5:45 pm wearing their Parkland T-shirts. Students' work on their projects throughout the term and the exhibition allows students to celebrate their learning and display all of their hard work. Part of the project is for students to interact with guests by showcasing their learning and answering questions. Interactions with adults are a key component of Project/Inquiry based learning. We look forward to seeing you here and appreciate your help in our students learning! In order to help families get here that early we will be serving a **complimentary chili & bun supper** for everyone!
