- Board Highlights
- Trust Balance is \$8625.38.
- Kitchen Update: AI is willing to build a wall, but not right to the ceiling. The wall will only be brought out as far as the sink, so there is room for kids to get in the door of the classroom. Lori drew up a floor plan so we could have a visual. Amanda is going to send a copy of the plan to AI and ask if it's a feasible plan before they come out to take measurements.
- Satisfaction Survey: Grades 4 and 7 received the survey, parents were sent home a code to go online and fill it out. They ask for the surveys to be completed, the school's planning council uses the data collected.
- Sports Day: Friday, June 20 is the only day that worked for all 3 schools. Is the PAC willing to take on the concession? We agreed that we will.
